THAKUR COLLEGE OF ENGINEERING & TECHNOLOGY

Estd. in 2001

| ISO 9001:2015 Certified Institute | NBA Accredited Programs | NAAC Accredited Institute with 'A' Grade | AICTE-CII Survey rating in Platinum category for Industry linkages | 78th All India Rank published in Outlook survey on 24th May 2018 |

Zagdu Singh Charitable Trust's (Regd.)

THAKUR COLLEGE OF ENGINEERING & TECHNOLOGY
(Approved by AICTE, Govt. of Maharashtra & Affiliated to University of Mumbai*)

Institute Accredited by National Assessment and Accreditation Council (NAAC), Bangalore#
• ISO 9001 : 2015 Certified • Accredited Programmes by National Board of Accreditation, New Delhi**

*Permanent Affiliated UG Programmes : • Computer Engineering • Electronics & Telecommunication Engineering • Information Technology (w.e.f. A.Y. 2015-16) • Electronics Engineering (w.e.f. A.Y. 2017-18)
**1st time Accredited UG Programmes : • Computer Engineering • Electronics & Telecommunication Engineering • Information Technology (3 years w.e.f. 16-09-2011)
**2nd time Accredited UG Programmes : • Computer Engineering • Electronics & Telecommunication Engineering • Information Technology • Electronics Engineering (3 years w.e.f. 01-07-2016)
1st cycle of Accreditation : • "A" Grade for 5 years (w.e.f. 30-10-2017)

VISION

Thakur College of Engineering and Technology will excel in Technical Education to become an internationally renowned premier Institute of Engineering and Technology

MISSION

To provide state-of-the-art infrastructure and right academic ambience for developing professional skills as well as an environment for growth of leadership and managerial skills to students which will make them competent engineers to deliver quality results in the industry

CORE VALUES

- Integrity & Accountability
- Respect for each Individual
- Sensitive towards Social Responsibilities
- Unfettered spirit of learning, Exploration, Rationality & Enterprise
- Exploration & Enterprise for both Faculty and Students

CORE COMPETENCIES

- Structured & Guided Teaching Learning Methodology Maintaining Academic Rigor
- System - Driven - Student - Centric Services
- Proactive Student Professional and Personality Development Schemes
- State - of - the - art Infrastructure meeting International Standards

Table of Contents

Today we acknowledge the achievements of the undergraduate and post graduate students of Thakur College of Engineering and Technology (TCET). We are confident that your devoted interest and fruitful accomplishment of your respective degrees will allow you to make a difference in technology and prosperity of our nation as future technocrats, educators, analysts and pioneers.

Our nation derives its strength from the diversity of its population and from its commitment to equal opportunity for all. We, at TCET, strive to bring together the talents of all parts of our society. The most noteworthy achievements are accomplished when differing points of view come together to beat most prominent difficulties. TCET has made you capable as technocrat and engineering professionals ready to go into life to face challenges coming from all walks of life. Prepare yourself to be unique in your engineering profession for the betterment of our nation.

Being the alumni of TCET from today onwards, we will be proud of your individual and collective accomplishments. We applaud you and we stand with you amid this momentous time and wish you all the best for your future endeavors.

I take this opportunity to wish each one of you completing your journey with us today, the very best in the years ahead for professional accomplishments and for a happy, healthy, peaceful and purposeful life. May the Almighty bless each one of you and be with you in all your good deeds!

V. K. Singh

I extend a hearty congratulations to all graduates, you have done well and deserve to celebrate today! Graduations mark the end of one journey and the beginning of a more important journey i.e., journey of life. New beginnings in life are full of possibilities. Entering at TCET after facing intense competition, you pursued your academic work with great dedication. By your hard work and commitment to maintain high standards, you earned your degrees and awards. It is a moment of pride for you as much as it is for your professors, parents and those who have part in shaping your life.

From today onwards, all of you will be proud alumni of TCET, which has grown remarkably to distinguish itself as a premier destination for scientific and technological studies and cutting-edge research education, in a very short span of time. The institute has also made you capable for decision making in real life engineering, managerial and human resource related problems. You can become good ambassadors of TCET. Be role models, live and promote a sense of high integrity and moral values. In earning this degree, you have grown as individuals, gained new experience and acquired the strong engineering foundations and problem-solving competencies that will serve you well in the future. You are well prepared to create innovations, inventions, collaborate across fields and tackle some of the world's most pressing challenges. You can recall that your mission for higher learning began here with great passion. It will not end here until you feel fully confident of meeting uncertainties and challenges of life and dealing with successes and failures with a positive attitude.

Congratulations to each and every one of you!

Karan Singh

Message from our Chief Guest

My first congratulation goes to the Management team for continuously working to produce competent and intelligent technocrats who will go ahead and create machineries and technology that will make unimaginable life possible for human beings. I feel so happy to realize that Thakur College of Engineering and Technology (TCET) has not only created successful scholars but also good and smart human beings who will go ahead and match up to the challenging expectations of the whole world.

Amidst this whole celebration, it is also important to remember that the degree certificate ceremony is just the beginning of a completely new and challenging chapter that all the graduates will begin to experience soon. I am so hopeful to see them contributing for the betterment of the world and bring proud moments for not only TCET but also for the whole nation in future.

I would specifically like to appeal to these graduates to continue to inspire their junior fellows who are presently learning in TCET. The graduates now also have one more responsibility, that is, to address these young students and create a spark in them. They can work and continue to inspire the students as their role models because they have chosen the same path and will definitely need the guidance and support in different ways. I would like to send my best wishes to all the graduates who are passing out today and appeal to TCET to keep producing such creative scholars, which the whole world is in need now.

Dr. S.S. Mantha
Former Chairman,
All India Council for Technical Education (AICTE),
NEW DELHI

4

Technical education over the years has undergone many transformations, especially in the twenty first century with technological advances and globalization. It is really a pride to see that Thakur College of Engineering and Technology (TCET) is adapting to these constant evolution of technical education.

I would specifically like to appeal to the graduates to remember that a good degree is a basis for a strong foundation. What you take away on this occasion is not just a piece of paper, but your four years of hard work, your passport to the future and you as a responsible citizen. I would like to wish my best complements to all the graduates who are passing out today and appeal to TCET to continue on this journey of contributing to larger social responsibility. Wishing you all the very best!!

Dr. P. Chakrabarti
*Director IIEST Shibpur, Ex-Director MNNIT,
Allahabad & Professor (HAG) IIT (BHU),
Varanasi, India*

I feel honored to have been considered to give message to the new graduates of Thakur College of Engineering and Technology (TCET). I believe it is the youth of the nation that defines the strength of the country. It is interesting to note that TCET, among many others, has taken an initiative to produce such responsible and highly educated youth in the field of technology. The large number of graduates who pass out every year with good ranks and manage to secure placements in the best companies of the world, proves how responsibly and successfully TCET is doing its job.

I can completely understand that it is a very emotional moment for all the team members of the college to witness the successful completion of their goals, during the convocation ceremony. I am sure on the other side, it is very inspiring for TCET to look back into the past and realize that consistency, perseverance and working with dedication has brought this privilege for all of you to address this event with humility and celebration.

I send all my best wishes to the college and new graduates alike for many more challenges to come on their way and believe that they will surely achieve victory in their future endeavors

Mr. Sunil Fernandes
*Partner / Managing Director
at Accenture Information Technology
and Services, Mumbai*

I would like to begin with a very big congratulation to the whole faculty members, the management team, the Deans and the Principal of Thakur College of Engineering and Technology (TCET). It is such an auspicious day to realize that all the beautiful seeds, the whole team sowed some years ago and worked hard and nurtured with commitment, have turned into big and strong trees and will go ahead and produce beautiful fruits for the sake of humanity.

I feel so happy to also have this opportunity to contribute my words and encourage the young and enthusiastic graduates of TCET. The graduates have been strong and consistent while dealing with this important and challenging stream throughout their academic years. It is the occasion to remember the promise you made to your institute, that is, to always pioneer to make this world a better place with the help of technology and all the values and principles you inherited here. This is also the occasion to celebrate and to recall that you are the torch bearers among many others to guide the whole world.

I know my words cannot do justice to the hard work of all the team, so in short I would like to wish TCET all the very best for the many more challenges to achieve.

Dr. S B Deosarkar
Professor-Electronics & Telecommunication,
Dr. BATU,
Lonere

Passing out of College is an important milestone in a person's life. Till today you were a student of this great Institution. From tomorrow you become its Alumni. The world has changed enormously since the time I passed out of College. Microsoft, Google and Apple have brought in a Technological revolution, which could not have been imagined 25 years ago. I will repeat what Steve Jobs said to students of Stanford University in his Graduation Address. " Your time is limited. So, don't waste it living someone else's life. Have the courage to follow your heart and intuition .They somehow   already know what you truly want to become "

My best wishes to each and every one of you.

Shri. Ajit Shenoy
GM- Procurement &
Sub-Contracts at HCC Ltd.
Mumbai

Do Not Be Driven by The Change
Be The Harbinger of The Change

It gives me a huge sense of pride and achievement on this eve of graduation ceremony where TCET has acted like a launch pad and unravelled a world of opportunities before it's students with the intent to nurture their blooming careers by way of high class education imbued with industry induced research , innovation , critical thinking and creativity. The critical thinking involves looking at the things from a different perspective and creativity inculpates thinking outside the box and it is the blend of these two poles that converge to create an environment of continuous process of progressive transformation of ideas and trials thus becoming the harbinger of change and not just being driven by the change . TCET has been able to create such an environment .

Congratulations to all the graduates who by the dint of their hard work and despite all the odds of the adversity made it to this D-day on the basis of their sheer merit.

Dr. B. K. Mishra
Principal-TCET

Vice Principal's Message
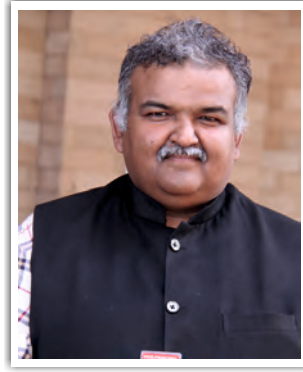

Do Not Just Sleepwalk Through Life, Create History
Let Your Juniors Emulate You and Recreate History

This D day (i.e. your graduation day) is the mark of no new beginning rather a break to rejuvenate your energies to enter into real time learning and studentship. Be a life long student. Do not loose the curiosity within you. Work hard to get what you like otherwise you will be forced to just like what you get. Whatever you like and whatever you do , throw yourself into it. Throw your head, heart and hand into it. Look at your job as your calling ,passion and not as number of hours. Once you excel in your field and reach the top notch do not look your job as an honour but as an obligation to make it possible for the people in general and your own juniors in TCET in particular who are younger to you to come up and achieve the same level of greatness.

Good luck!!

Dr. Deven Shah

Dean (Academic) Message

It is rightly said that "A dream becomes a goal when action is taken towards its achievement"and we at Thakur College of Engineering and Technology are committed in taking constructive and purposeful actions to produce optimistic, independent, compassionate and life-long learners who will bring glory to the Institute, State and the Nation
At the offset, My heartiest congratulations to the graduating students of 2014-2018 batch of TCET! Convocation signifies the success and achievements of our students and it also marks an important milestone in the history of this institution. It is a time for renewing our dedication to create the best out of a given situation as careers are not built in the comfort zones and commitment to the future of our country. This auspicious occasion marks an end and a new beginning for setting and achieving higher goals. I believe that our commitments and efforts will be reflected in the quality of our graduates.
I wish you all good luck for the future.

Dr. R. R. Sedamkar

Dean (Research & Development) Message

On behalf of Thakur College of Engineering and Technology, I would like to congratulate all of you for becoming engineering graduate. We are exceptionally glad for all that you have achieved amid your time at the institute and we wish you the best as you start this next stage in your life.

Excellence is a process that can be achieved through persistent hard work, motivation and innovation. TCET has instilled these values in your technical learning.. Chase your dreams. I wish you success in all fronts of life.

Although you're graduating and leaving this institute today, you are and you will always remain a member of TCET family. The consistent involvement of our alumni will strengthen college initiatives to support young minds.

We are proud for your acquisition of values and accomplishment of technical knowledge at TCET and are confident that you will continue to make our college proud in future with your bright contribution to the nation building.

Congratulations once again!

Dr. Kamal Shah

Dean (Student & Staff Welfare) Message

Congratulations and commendations to all of you on this note worth accomplishment of graduation and post graduation from Thakur College of Engineering and Technology!

Today we welcome you into a community of scholars. You have acquired your place here through your diligent work, constancy, unique research, masterful creation, and scholarship. We immensely feel proud that you are a true reflection of the excellence, the values and principles of our institute.

We believe that the progress of any country relies on its economic growth as well as on human development through strong academic foundation. It is our obligation as one of the premier engineering education institutions to develop individuals with strong academics, high ethics and love for the nation. We, at TCET, endeavor to provide quality education, development of technical skills, to collaborate with academic and research institutes of high repute, to develop research culture with innovative approach, to use knowledge for the betterment of society and to bridge the gap between academia and industry.

I wish you many more accomplishments in your journey, which is reaching a new stage today. As you become a part of our cherished alumni, we encourage you to seek innovation and improvement for research and education, and also assure you that you will always be welcome in this second home.

Dr. Lochan Jolly

About the University of Mumbai

The University of Mumbai (known earlier as University of Bombay) is one of the oldest and premier Universities in India. It was established in 1857 consequent upon "Wood's Education Dispatch", and it is one amongst the first three Universities in India.

As a sequel to the change in the name of the city from Bombay to Mumbai, the name of the University has been changed from "University of Bombay" to "University of Mumbai", vide notification issued by the Government of Maharashtra and published in the Government Gazette dated 4th September, 1996.

The profile of this University carved out in 155 years of its functioning attests to its manifold achievements as the intellectual and moral powerhouse of the society. The University has always given its best to the country in general and to the city of Mumbai in particular by enthusiastically shouldering an ever-growing load of social values and opportunities.

Initially, the University concentrated its efforts on controlling teaching at the undergraduate level and in conducting examinations. Later on it took up research and the task of imparting instructions at the Post-Graduate level. This resulted in the establishment of the University Departments beginning with the School of Sociology and Civics & Politics. The independence of the country led to the re-organization of the functions and powers of the University with the passing of the Bombay University Act of 1953.

It has two campuses of areas 243 acres and 14 acres at Vidyanagari and Fort respectively; sub-campuses/centers at Ratnagiri 20 acres, Thane 6.50 acres and Kalyan 6.26 acres with 56 University Departments & Institutes and 691 affiliated colleges. It has established its name in industrial & International collaborations and runs various professional courses.

The University was accorded 5 star status in 2001 & 'A' grade status in April 2012 by the National Assessment and Accreditation Council (NAAC). It has been granted University with Potential for Excellence (UPE) status by UGC and PURSE Scheme by DST. Many of its

Departments are recognized under various national programmes, such as UGC-SAP at various levels, DST-FIST, etc. At national level, it has excelled in sports, cultural and out-reach activities. In the last five years it has seen 104% increase in under-graduate students, 112% increase in post-graduate students and 147% increase in distance - education students. There is 156% increase in the number of research papers published in International journals.

HISTORY

The profile of this University carved out in 161 years of its functioning attests to its manifold achievements as the intellectual and moral powerhouse of the society. The University has always given its best to the country in general and to the city of Mumbai in particular by enthusiastically shouldering an ever-growing load of social values and opportunities.

Initially, the University concentrated its efforts on controlling teaching at the undergraduate level and in conducting examinations. Later on it took up research and the task of imparting instructions at the Post-Graduate level. This resulted in the establishment of the University Departments beginning with the School of Sociology and Civics & Politics. The independence of the country led to the re-organization of the functions and powers of the University

with the passing of the Bombay University Act of 1953.

It has two campuses of areas 243 acres and 14 acres at Vidyanagari and Fort respectively; sub-campuses/centers at Ratnagiri 20 acres, Thane 6.50 acres and Kalyan 6.26 acres with 60 University Departments & Institutes and 749 affiliated colleges. It has established its name in industrial & International collaborations and runs various professional courses.

At national level, it has excelled in sports, cultural and out-reach activities. In the last five years it has seen 104% increase in under-graduate students, 112% increase in post-graduate students and 147% increase in distance - education students. There is 156% increase in the number of research papers published in International journals. Twelve Department/sections are recognized under various national programmes, such as SAP/CAS/DRS/DSA/COSIST/FIST. More than eighty teachers are on various professional bodies. Eighteen National/International awards are won by teachers in the last five years. Every year about 20 teachers visit abroad for academic activities. Recently more than ten self-supporting courses have been started by the University.

It is now granted a Five Star status by the National Assessment and Accreditation Council (NAAC). It has two campuses of area 230 acres and 13 acres, with 1.25 million square feet of built-up area, 22 thousand sq. feet of class-rooms and 84 thousand sq feet of laboratory space. It has two post-graduate centers, 354 affiliated colleges and 36 Departments. It has established its name in industrial collaborations and runs various professional courses. At national level, it has excelled in sports, cultural and out-reach activities. In the last five years it has seen 104% increase in under-graduate students, 112% increase in post-graduate students and 147% increase in distance - education students. There is 156% increase in the number of research papers published in International journals. 12 Department/sections are recognized under various national programmes, such as SAP / CAS / DRS / DSA / COSIST / FIST. More than 80 teachers are on various professional bodies. 18 National/International awards are won by teachers in the last five years. Every year about 20 teachers visit abroad for academic activities. Recently more than 10 self-supporting courses have been started by the University.

University And College Rankings

Internationally, the University of Mumbai was ranked 41 among Top 50 engineering schools in the world by Business Insider in the year 2012 and was the only university in the list from the five emerging BRICS nations (Brazil, Russia, India, China and South Africa).

It was ranked 3rd best university in Asia in terms of graduate students as percentage of total students and the 2nd best Multi Disciplinary University in India by Asiaweek in the list of Aisa's best Universities 2000 ; with 8 of the top 10 Indian universities in Asiaweek's list being purely Science and Technology Universities.

In the year 2013 the University of Mumbai ranked fifth in the list of top ten best universities in India by India Today.

It was ranked at 62 in the QS BRICS University rankings for 2013, a ranking of leading universities in the five BRICS countries (Brazil, Russia, India, China and South Africa).

Its strongest scores in the QS University Rankings: BRICS are for papers per faculty, employer reputation (20th) and citations per paper.

It was ranked 10th among the top Universities of India by QS in 2013. With 7 of the top ten Indian Universities being purely science and technology universities, it was India's 3rd best multi-disciplinary university in the QS University ranking.

The University of Mumbai has been given the highest ranking of five stars by the National Assessment and Accreditation Council (NAAC) In 2012, it was awarded a CGPA of 3.05 out of 4 and the highest rating ("A" grade) by the NAAC for its overall performance. The University Grants Commission also accorded the University of Mumbai with the status of "University with Potential for Excellence".

It was ranked 18th in the world for having the maximum Ultra High Net Worth Alumni Population. It was number one in the list among universities from emerging economies.

According to the latest survey report of 2014 by Wealth-X and UBS's "Billionaire Census", it has ranked 9th among the top 20 schools in the world that have produced the most number of billionaire alumni.

In December 2014, it was ranked 3rd among the worldwide ranking of undergraduate schools with the most alums at Morgan Stanley by American news broadcasting firm Business Insider.

About TCET

The Thakur College of Engineering & Technology (TCET), a linguistic minority institute was established in AY 2001-02 with a clear objective of providing quality technical education in tune with international standards and contemporary global requirements. TCET is recognized by AICTE & Govt. of Maharashtra and is affiliated to the University of Mumbai. TCET offers 6 UG, 3 PG and 3 Ph.D. (Tech.) programme. TCET is accredited by NAACwith "A" grade for five years.Four UG programmes which include Electronics & Telecommunication (EXTC), Information Technology (IT), Computer Engineering (CMPN) and Electronics Engineering (ETRX) have been provisionally accredited by NBA for three years and are also given permanent affiliation by University of Mumbai.

TCET is ISO 9001:2015 certified institute. TCETis recipient of reputed IMC - Ramkrishna Bajaj National Quality Commendation Certification 2012(Education) followed by IMC - Ramkrishna Bajaj National Quality Award 2015 (Education). In July 2016 TCEThas been selected for Asia Pacific Quality Award (APQA) for best in class award in education category from Global Pacific Quality Award (GPQA). TCET has been awarded in the category of "Excellent Performing & Innovative Engineering Institute in Maharashtra" at National Maharashtra Education Summit & Awards 2016, jointly organized by University of Mumbai & CMAI Association of India. TCET is a member of National Entrepreneurship Network (NEN), Confederation of Indian Industry (CII) and Maharashtra Economic Development Corporation (MEDC) for active industry-institute interaction where TCET has been felicitated by CII-Education Excellence Forum for enhancing Industry Connect, Employabilityand Faculty Competency.

Academic Highlights

☞ F.E. result higher than University average result
☞ Final year B.E. results are more than 90%
☞ 80% or more pass with Distinction/ First Class
☞ Success rate is more than 85%
☞ Around 20% qualify in competitive examinations viz. GMAT/ GRE / TOFEL / GATE / CET / CAT.

Faculty

❖ 185 committed and dedicated faculty members for A.Y. 2017-18
❖ More than 30 senior faculty members
❖ 32 faculty with Ph.D., and 28 faculty members are pursuing Ph.D.
❖ 115 faculty with M.E. /M.Tech./M.Phil.
❖ 22 faculty pursuing M.E./ M.Tech. / M. Phil.
❖ More than 50 guest faculty / visiting faculty/ guest speakers.
❖ Large number of publications
❖ Active participation and organization of seminars/workshops/training programmes

Student's Training

❖ Regular training programmes under Student Development Programme (SDP)
❖ Training includes : Soft skills & Aptitude test, Industry oriented professional knowledge.
❖ Soft skills / Software training under corporate Campus Connect Programme
❖ Training programmes are conducted by internal faculty as well as the experts from the industry.

Key Facilities

❖ Computational Facilities- 1197 Computers on LAN
❖ INTERNET connectivity- Leased line with 72 Mbps to support virtual classroom, laboratory conduct, webinar, on-line learning, evaluation and assessment research etc.
❖ Laboratories - Well equipped 72 labs (including workshop) in 6 engineering departments and H&S department for First Year Engineering
❖ Sports - One of the best facilities for out-door / in-door sport events
❖ Telephone Landline - MTNL & Tata - communication (PRI-Line)
❖ Drinking Water - BMC connection with water cooler & purifier on every floor
❖ Electric Supply - Tata power with no load-shedding. In case of emergency portable generators are arranged by TATA power
❖ Sick Room - Room with 2 beds & First-Aid facilities
❖ Common Facilities - Auditorium, Canteen, Seminar Halls R&D Cell, Incubation Centre etc.

Courses offered

TCET a NAAC accredited institute offers full-time programmes of four years leading to the award of Degree in Bachelor of Engineering (B. E.) and two year course in Master of Engineering (M.E.). All seats at U.G. and P.G. levels are filled-up as per the guidelines of DTE and Admission Regulatory Authority (Maharashtra State) applicable for minority institution with following distribution of seats:

• 51% for minority quota filled up through CAP rounds
• 29% for Maharashtra State and All India Seats filled up through CAP rounds
• 20% for Institute level admission open for all categories to be filled up by institute.

Institute also offers Ph.D. (Technology) of UOM programme and admission is given as per the guidelines of UOM.

Undergraduate Courses (B.E.)

Courses	Current intake	Year of Starting the Course	NBA Accreditation Status
Computer Engineering (CMPN)	120	2001	2nd time accredited UG Level programmes for CMPN, EXTC & IT (3 years w.e.f. o1.07.2016)
Electronics & Telecommunication Engineering (EXTC)	120	2001	
Information Technology (IT)	120	2001	Permanent affiliated UG programme w.e.f. A.Y. 2015-16 onwards.
Electronics Engineering (ETRX)	60	2008	1st time accredited UG Level programme (3 years)
Mechanical Engineering (MECH)	120	2012	Eligibility after A.Y. 2017-18
Civil Engineering (Civil)	120	2014	Eligibility after A.Y. 2020-21

Postgraduate Courses (M.E./Ph.D. Engineering)

Courses	Current intake	Year of Starting the Course	Award (Degree)
Electronics & Telecommunication Engineering (EXTC)	18	2008	M.E.
Information Technology (IT)	18	2011	M.E.
Computer Engineering (CMPN)	18	2011	M.E.
Electronics & Telecommunication Engineering (EXTC)	10	2014	Ph.D. (Technology)
Computer Engineering (CMPN)	10	2018	Ph.D. (Technology)
Information Technology (IT)	10	2018	Ph.D. (Technology)

Engineering Graduate Attributes

1. **Engineering Knowledge:** Apply knowledge of mathematics, science, engineering fundamentals and an engineering specialization to the solution of complex engineering problems.

2. **Problem Analysis:** Identify, formulate, research literature and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences and engineering sciences.

3. **Design/Development of Solutions:** Design solutions for complex engineering problems and design system components or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal and environmental considerations.

4. **Conduct investigations of complex problems :** Using research based knowledge and research methods including design of experiments, analysis and interpretation of data and synthesis of information to provide valid conclusions.

5. **Modern Tool Usage :** Create, select and apply appropriate techniques, resources and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.

6. **The Engineer and Society:** Apply reasoning informed by contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to professional engineering practice.

7. **Environment and Sustainability :** Understand the impact of professional engineering solutions in societal and environmental context and demonstrate knowledge of and need for sustainable development.

8. **Ethics :** Apply ethical principles and commit to professional ethics and responsibilities and norms of engineering practice.

9. **Individual and Team work:** Function effectively as an individual, and as a member or leader in diverse teams and in multi disciplinary settings.

10. **Communication :** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations and give and receive clear instructions.

11. **Lifelong learning :** Recognize the need for and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

12. **Project Management and Finance:** Demonstrate knowledge and understanding of engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects in multidisciplinary environments.

The College offers outstanding infrastructure which provides conducive environment and the right academic ambience. Key infrastructure includes:

AUDITORIUM

The college has a state-of-the-art, plushy, air-conditioned auditorium like none other in the city of Mumbai. It is equipped with the most modern lighting and sound systems. It plays host to most of the seminars, inaugural and valedictory function that are a part of the many technical festivals / conference / academic programmes. The annual cultural festival and annual day are also held in the auditorium. It is used for presentation for campus recruitment including pool camp by many companies. It has a seating capacity of 585.

CLASSROOMS / SEMINAR HALLS

Air-conditioned classrooms/seminar halls are well designed and well equipped with single seater benches. It ensures learning in peaceful and comfortable environment. Each classroom has the seating capacity upto 80. Institute has four seminar rooms well equipped with audio-visual, smart boards, INTERNET, Wi-fi connections and the seating arrangement viz cluster, class room, theater, conference arrangement etc. Seating arrangement varies from 26 to 180. These seminar rooms can also get digitally connected with the provision of streaming video facility.

LABORATORIES / WORKSHOPS

The college takes pride in its well-designed and well equipped laboratories and workshop that cater to the need of students. The laboratories of Applied Sciences (Physics & Chemistry) are amongst the best in the city of Mumbai. These laboratories are exclusively used for First Year Engineering (F.E.) students. There is also a high-tech Language Laboratory to help students to improve their communication skills. Laboratories are well equipped with branded equipments, kits, computing facilities, computer based laboratories, INTERNET facilities etc.

R&D & Incubation Centre

Thakur College of Engineering and Technology (TCET) believes in quality and sustainable education which is possible only with strong R & D activities. Research activities are encouraged at both departmental as well as institute level. Well equipped research laboratories have been established in the institute and additional facilities can be availed as per requirements. Academic research is carried out in the department and I2E projects are Incubated in IEDC.

CAFETERIA

The College accommodates a large number of students in cafeteria. At a time more than 200 students can be served. Highly nutritious, quality food with wide varieties are made available for students at affordable prices. Proper hygiene is maintained. Proper hygiene is maintained in addition, additional space is provided for cafeteria attached with auditorium. Tea and snacks are served there wherever there is programme in auditorium.

ICT INFRASTRUCTURE

Institute has an excellent infrastructure consisting of Local Area Network (LAN) on which 1197 computers are connected for INTERNET access with the BW of 72 Mbps. ERP with LMS is also deployed for campus management.

Network Infrastructure highlights:

- High Servers with 1197 Dell/HP/HCL Desktops, Workstations as Windows/Linus clients. Microsoft Campus Agreement Licences and high end Application / Utility Softwares.
- Robust Campus Network configured with Gigabit CISCO backbone switches with Optical Fibre Backbone, installed on Windows / Linux servers with high speed Wifi Connectivity.
- High Speed leased line connectivity having 70 Mbps bandwidth with integrated RP systems. A dedicated 2 Mbps lease line internet connectivity for IIT Bombay Remote Center.
- Highly Secured Network with Fortinet 600D Firewall & Symantec Endpoint Antivirus for security through campus agreement.
- High Speed leased line connectivity in all classrooms & laboratories connected with INTERNET/Projection Facility
- Campus surveillance system with 199 high end CCTV cameras and DVRs with 15 days backup storage having facility to provide the footages to stakeholders on request.

NETWORK INFRASTRUCTURE HIGHLIGHTS

- Robust Network with High End Servers with 1027 Dell/HP Desktops and Workstations as Windows/Linux clients. Microsoft Campus Agreement Licences.
- Network configured with Gigabit CISCO backbone switches, installed on Windows/Linux servers on optical Fibre Backbone.
- Fortinet firewell & Symantec antivirus for security through campus agreement.
- Campus Surveillance system with 175 CCTV cameras and high end DVRs.
- High Speed leased line connectivity in all classrooms & laboratories connected with Internet/Projection Facility.

RECREATION ROOM

In order to enjoy recreation during break / vacation, various facilities for indoor sports have been developed in the boys' and the girls' common rooms. Some of the facilities include: table tennis, carom, chess etc. Multipurpose halls are created to organize viz. Yoga, meditation, motivational lectures, group activities etc.

SPORTS GROUND

Adjacent to the college there is a large playground of 3.5 acres suitable for all kinds of sports activities. Sports facilities available in the ground includes: volleyball, badminton, throw-ball, football, cricket, kabaddi and many more out-door events. Thakur Cricket Stadium is also use to promote cricket.

Testimonies by Graduates

Four years at TCET have been fun and academically sound. I have made great friends and learnt a lot from my teachers. I was grateful to have such a hard-working department who has helped me to make all my endeavors successful and achieves my goal.

- MR. RATNESH SINGH (ETRX)

I strongly believe that there are better and rigorous ways of transforming novice students into expert engineers. Carrying this belief, i decide to get my B.E after diploma from TCET.
I will never forget my time at TCET and I often look back on it fondly. The vast hands-on learning experiences and enriching opportunities that I was exposed to through the practicals have helped me to become an adaptable and thorough engineer. TCET creates an incredibly supportive environment for women like us which encourages us to face the world confidently.It has one of the best placement in mumbai university. My experience has been a wonderful balance of knowledge, skills, fun and friendship..A heartful thanks to TCET.

- MS. SIMRAN THAKUR (EXTC)

TCET is one of the best colleges in Mumbai. College is well structured and maintained. The teaching and non-teaching staff is good and helpful. Various activities such as seminars, workshops ,bridge courses are conducted for the students. Fest is organised every year with full enthusiasm. The food quality here is the best. All the classrooms are air-conditioned. The labs are equipped with all the modern equipments and the library is well stocked. Teachers are supportive and helpful.

- MS. KAMMALA POOJA (IT)

Thakur college of Engineering and Technology is one of the reputed colleges in Mumbai. The facilities provided by this college are very good. The college provides opportunities for participation in various extra and co-curricular activities. The various committees in the college such as student council, CSI, ASME, etc. carry out various activities to ensure , maximum participation of the students. The various technical festivals, cultural festivals, sports festivals are organized by these committees. Also the teaching learning process is excellent. Students feel free to ask questions to their teachers. The overall development of the students is done during the curriculum. I belong to the Computer Engineering Department which is one of best department of the college. The friendly nature of faculty, never to give up attitude, makes the CMPN department the best. This journey of 4 years will definitely make one realize that their decision to select TCET was the finest. I would like to express my gratitude to everyone who is a part of this college. It has been a great experience to be a part of TCET.

- MR. PULKIT KEDIA (CMPN)

It was a great experience studying at TCET. The skills and training that I gained at TCET helped me in getting placed at a good company. The environment here helped me in improving my skills to a great extent. All this is due to the support of the faculties and the institution who always try to bring out the best in students.

- MS. SIMRAN KEDIA (CMPN)

I had a splendid experience as a student of the Department of Mechanical Engineering at TCET. All our teachers are extremely knowledgeable, and they're always eager to help us in our times of need. They're kind enough to each and every student. They don't differentiate between anyone and so we always felt like we had their affection showered on us equally. Not only during studies and labs, but we had their involvement in every aspect of our college life, including Zephyr, Soujourn, Inertia and other co-curricular activities. We were blessed to find co-operative seniors and juniors in our college life. I almost left out my classmates, but then they're my near and dear ones and we'll always be together.

- MR. TANMAY DHURI (MECH)

Exam-Incharge Message

"Be burning with an idea or a problem or a wrong you want to right
If you are not passionate enough from the start, you will never stick it out"
I would like to take this opportunity to congratulate and wish all the young graduates a bright future! Be passionate, soar high and follow your dreams. The best is yet to come. Graduation day is one of the important landmarks which will be kept with you as a treasure of reminiscences. I wish this journey of knowledge will gain more great laurels in their career.

Mr. Hemant Kasturiwale
Exam-Incharge

Exam Co-ordinator's message

We extend a hearty congratulations to all graduates today, you have done well and deserve to celebrated. Learning is your super power remember, never stop trying and never stop growing your brain !

NCEAR Conference Photo - 2018

NCEAR - 2018 DAY 1 KEYNOTE ADDRESS

NCEAR - 2018 PAPER PRESENTATION

NCEAR - 2018 DAY 2 KEYNOTE ADDRESS
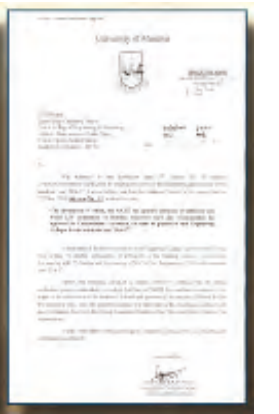

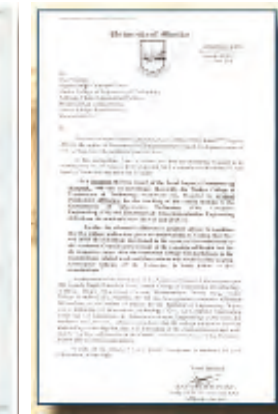

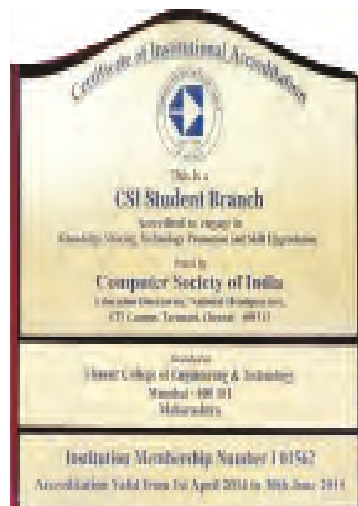

First and foremost, I would like to express my sincere gratitude to the Chairman, Trustees and CEO of Thakur Educational Group for their constant encouragement and continued valuable support in organizing the Third Degree Certificate Distribution Ceremony for the A.Y. 2016-17 graduates at our campus. I thank the University of Mumbai for providing the opportunity to organize such an event.

I take this opportunity to thank all the distinguished guests who have taken time out of their busy schedule and guiding the graduating students with inspiring words.

Organizing any event is a Herculean task which cannot be accomplished without the support of a strong and motivated team of dedicated staff. I feel a deep sense of honor and privilege to express my gratitude to the teaching, non-teaching and the support staff for their involvement and willingness to take on completion of tasks beyond their comfort zones.

I am thankful to all the students and parents who have attended this ceremony and made it a grand success.

Lastly, I am indebted to those who directly or indirectly encouraged and supported us to make our second Degree Certificate Distribution Ceremony a memorable one.

Dr. B. K. Mishra
Principal

PROGRAM SCHEDULE

Time	Activity
9.15 a.m. - 9.45 a.m.	Reporting & Registration
9.45 a.m. - 10.00 a.m.	Academic Procession (Branch-wise 3 Toppers, Dignitaries & Sr. Faculty Members)
10.00 a.m. - 10.05 a.m.	Briefing about the proceeding followed by University Anthem
10.05 a.m. - 10.10 a.m.	Inauguration by lighting of lamp followed by Invocation
10.10 a.m. - 10.15 a.m.	Felicitation of Guests
10.15 a.m. - 10.20 a.m.	Welcome Address by Principal
10.20 a.m. - 10.50 a.m.	Address by Guests of Ceremony

Felicitation of Toppers and Distribution of Degree Certificate to Post Graduates Students

10.50 a.m. - 11.00 a.m.	Distribution of Academic Awards (Institute Topper's)

Distribution of Degree Certificate to Graduate Students

11.00 a.m. to 1.00 p.m.	Computer Engineering (CMPN) Electronics and Telecommunication Engineering (EXTC) Information Technology (IT) Electronics Engineering (ETRX) Mechanical Engineering (MECH) Civil Engineering (CIVIL)
1.00 p.m. - 1.10 p.m.	Distribution of Degree Certificate to Post Graduate Students
1.10 p.m. - 1.15 p.m.	National Anthem
