National Initiative Program (Student/Faculty Exchange Program)

Report on Poster Making & Essay Writing Competition: Dissemination of Information about your State

As per the Initiatives of Ministry of Human Resource -Development and AICTE, Thakur College of Engineering and Technology started to conduct Student exchange programs. NIP Poster Making & Essay Writing Competition was held on 16th October, 2021 for partner colleges along with host college TCET. The Poster Making & Essay Writing competition was proposed for the topic: 'Dissemination of Information about your State'. The event envisioned to provide a platform where participants could think creatively, write persuasively and present well-connected ideas in a compact fashion about their state heritage thereby, enhancing communication skills and dissolving stage fear. Also, the purpose was to learn the culture, living styles, social customs and such other aspects of the social and cultural affairs of each other's institute along with learning soft skills and technical skills.

Objective:

1. To encourage and expand the innovative, artistic and creative thinking among the participants through offering them the opportunity to express their unique viewpoints on their Home State Heritage.
2. To give students the opportunity to demonstrate their reading, thinking and writing skills in a well-connected and compact manner.
3. To give students an exposure to the skills such as creative thinking, communication and lifelong learning.
4. To adopt the national initiatives under EBSB: Students exchange program at institute level.
