### **Description:**

An interactive session celebrating teacher's day was held on 5th of September, 2020 on the Zoom platform. The event was organised, managed and hosted by the members of TSDW. Invitations were sent out to all teachers prior to the event. A total of 98 teachers from all departments took active part in the session. The session included recital of poetry by students as a token of appreciation for the teachers, a small roleplay video, and various interactive activities like spin the wheel, brain teasers, memory lane, scribble, Bollywood bluff, etc.

Participating teachers were divided as per their respective departments. Each department got to spin the wheel, and depending upon which activity the pointer stopped at when the wheel stopped running, teachers from that department were called to volunteer for the activity. Participants put their gray cells to work in the Rapid Fire and Brainteaser activity. Teachers also demonstrated their skills by volunteering in the TCETs got talent activity. Teachers also got to display their artistic skills in the Scribble activity. It was fun to watch the teachers follow the student's instructions in Student Says activity. The session was successfully concluded by a vote of thanks by TSDW. Positive feedback was received from various faculties, pointing to a very successful event.
