Faculty	36	62	200
<b>Total</b>	<b>109</b>	<b>202</b>	<b>660</b>

#### **Mock activity details are as follows-**

##### **1) A mock activity session on Logo Design Competition was on 05/08/2020 at 8.00 PM.**

AatmaNirbhar Bharat is the vision of the Prime Minister of India of making India a self-reliant nation. As part of the AatmaNirbhar Bharat package, numerous government initiatives have taken place. One small example is the fact that from zero production of Personal Protection Equipment (PPE) before March 2020, India today has created a capacity of producing 2 lakh PPE kits on a daily basis, which is also growing steadily.However, the prosperity of AatmaNirbhar Bharat Abhiyan requires an equal support and participation from Indian citizens like you, who need to opt for 'Made in India' goods, and also promote products manufactured locally. MyGov invites all the citizens to share their ideas and suggestions to design a logo for AthamNibhar Bharat Abhiyan.

**Participants** – Students of TCET

**Judges** –

1. Dr.MegharaniPatil(Asso. Prof COMP)

2. Ms. Vidhyadhari Singh (AP COMP)

**4) A mock activity session was conducted for Drug Discovery Hackathon on 31/08/2020 at 5.30 pm.**

Given the complex nature of SARS-CoV-2 infections that are still being understood, collective intelligence must be applied to address this global pandemic, especially in identifying drugs against Covid-19. It is time that we utilize the strength of young bright minds across the world to identify solutions to address this global scourge. This will not only lead to the identification of potential SARS-CoV-2 drugs but in the process will lead to the generation of a large community of researchers with skills in data analysis and management in drug discovery.
